

DRAFT

CORDRY SWEETWATER CONSERVANCY DISTRICT

Roads Commission

February 6th, 2020

MEETING NOTES

Members Present: Dave Jarrett

Other Attendees: Josh Hawley (CSCD Superintendent)

I. 2020 Bids Update

- a. Discussion on crack sealing bid received, significantly higher than two years ago. Bids are also submitted for 2020 paving projects.

II. Robin Drive Drainage Update

- a. Mr. Hawley met with an engineer per CSCD Board request. The engineer agreed with the concept already submitted and bid upon with the addition of drop structures to slow down the velocity of the water. The engineer did not believe that “engineering” or design needed to be completed on this type of project. Mr. Hawley will submit his recommendation to the Board.

III. Hummingbird Drainage Update

- a. Mr. Hawley informed the Commission that during the January 11th flood no property damage occurred on Hummingbird Drive due to the upgraded drain inlets and emergency spillway that was put in across the road. Mr. Hawley and crew will dig out ditch on the southwest corner of Hummingbird Drive near garage on the southside of road.

Adjournment @ 5:55 pm
